SUBJECT: S.2525 - Proposed Intelligence Charter Legislation -
Title IV, CIA - Revision

REFERENCE: AI/DDA memo dated 25 Aug 78, same subject (DDA 78-1050/3)

1. Please find attached a copy of the OGC response to our comments on the draft of Title IV of the Charter Legislation (S.2525). Most of our concerns are addressed and in several instances our recommendations will be proposed.

2. Two issues, however, require more discussion with OGC:

a. Proprietaries (Section 423). We have been asked to express our concerns and comments relevant to proprietaries to Chief, Operations and Management Division, OGC.

STAT

b. The section on Travel and Other Expenses, Death Gratuities for Certain Agency Personnel (Section 441) defines the term "employee." This term needs to be more explicitly defined. It was also suggested that we discuss this with O&M, OGC.

3. We are preparing a memorandum to Chief, O&M to state the concerns we have expressed in earlier memoranda and invite further discussion of these issues. If after reading the attached you have any additional concerns, please contact me.
